

A Message from our Head of School - Miss Jenkinson

It has been wonderful to be back in school this week after completing my isolation period of 10 days. Today, as ever, it has been as privilege to award the ALWAYS badges again to so many children who always make good choices, work hard and have good levels of attendance and punctuation. We have awarded over 50 badges in an online assembly this morning! If your child has received an award your will receive the write up that was read out about them that each teacher wrote through your class dojo app. There were a number of children missing due to illness today so they will receive their awards and write up next Friday when they return to school.

Have a lovely weekend and stay safe.

KS1

Wow, what a start to the week we had! On Monday, we joined a Zoom call with some other schools and none other than Rob Biddulph! The author and illustrator spoke to use about his early life and his work now. He revealed the cover of his new chapter book (which will be released in September). Then, we got to do a live #DrawWithRob activity with the man himself!

I think we may have some budding illustrators in Key Stage 1.

Celebrating Success in School

Always children are chosen each term. These are the children who are ALWAYS doing the right thing, wearing the correct uniform and are trying their BEST every day!

This term's ALWAYS children - **WELL DONE!**

Early Years: Archie, Harleigh, Haniya, Harrison, Ruby.

KS1: Ismail, Hifzan, Shaila, Aydin, Farwah, Momo, Sahara, Daud, Sara, Rayyan, Ayesha.

KS2: Ayaan, Lily, Luca, Rico, Amellia, Sophia, Lacey, Torrie-Rae, Harris, Tabitha, Hana, Grace, Alexander, Kaiyaan, Anees, Libby, Jayda, Sofia, Fathimah, Caleb R, Olivia F, Bethany, Zuhd, Yusuf E, Nye, Sara, Katelin, Hafeez, Noah, Peter, Maryam, Eva, Cody.

Class Attendance Figures

Each class target is 97% attendance!

Well done to **Ravens** Classes for **98.2%**!

Doves	98.1%
Ducks	96.1%
Jays	97.8%
Kestrels	90.5%
Lapwings	97.0%
Magpies	93.7%
Moorhens	96.2%
Ravens	98.2%
Robins	96.0%
Swans	91.5%
Swifts	91.0%
Wrens	95.8%

Early Years

In EYFS we have been learning about 3D shapes. We have made different enclosures for the animals from the Dear Zoo story we have been reading. We had to think about how tall they needed to be and what 3D shapes worked best.

These lucky children enjoyed a "Posh Lunch" as a reward for earning "caught being good" tickets from the lunchtime staff.

KS2

Year 3 have been busy learning to sew the running stitch, back stitch and cross stitch as part of their DT lessons.

Sun Safety

With summer now officially with us may we ask that, when required, you apply 'Once-a-day' sun lotion before school.

House Leaderboard

This week's leader board is below: Children can earn House points by following our **Golden Rule**.

Next week's golden rule is

"To keep our school tidy "

House Team	Points
Inspire	1258
Discover	1408
Experience	1433
Achieve	1328

Covid Testing and Reporting

Following some confusion around covid testing may we clarify that lateral flow tests are for those **without** symptoms of covid-19. If you or your child(ren) develop any of the symptoms you must carry out a PCR test. These can be ordered and delivered to your home address in the post. A copy of the result must be provided to the school office before your child is allowed to return to school.

We have had no positive covid cases in school recently, however should your child test positive for covid, please report that to Miss Jenkinson on Class Dojo or email kelly.starkey@sharemat.co.uk, **even if it is a weekend or in the holidays**, to establish whether we need to inform any of our bubbles that they will need to isolate.

Polite Reminders

Chickenpox One of our pupils is at serious risk if they are exposed to **chicken pox, shingles or measles**. Please let us know immediately if you suspect that your child has chicken pox or measles. **It is also very important that you let us know if anyone in your household has shingles.**

Nut Free school A reminder that we aim to be a nut free school due to pupils with serious allergies. Please do not bring nuts of any kind onto the school premises, including playgrounds.

Parking Please ensure you park considerably whilst in our car park and do not block zebra crossings, footpaths, school gates or park on double yellow lines or on the grass. Use our drop off zone for older children and wherever possible please walk to school. This is for the safety of all our pupils, parents and staff. The car park at front of school (Victory Avenue) is not available for use by parents.

Parents in school Please be reminded that parents cannot enter school unless they have a prearranged appointment. If you need to speak to a member of staff please call school in the first instance on **01484 505229** to arrange an appointment. Any forms or letters should be handed to your child's class teacher or left in the red box in the school entrance.

Class Of The Week

This week's Class Of The Week is awarded to **Robins** for "being good role models to younger children."

Well Done Robins Class!

Luck Lane Out of School Club

Luck Lane Before and After School Club is based in Luck Lane Primary School. We are OFSTED graded 'GOOD' and have lots of fun activities and resources for the children to enjoy during each session they attend. We provide a range of healthy breakfasts and healthy after-school snacks.

Breakfast Club opens at 7.30am-8.45am

Afterschool Club starts at 3.15pm-6.00pm

If you would like to enquire, please contact us for further details.

For enquiries, to look around or to book please telephone 07951 497659 or email

All National Online Safety we believe in empowering parents, carers and trusted adults with the information they need to hold an informed conversation about online safety with their children, should they feel it is needed. This guide focuses on one platform of many which we believe trusted adults should be aware of. Please visit www.nationalonlinesafety.com for further guides, news and tips for safety.

A GUIDE ON HOW NOT TO BE A SCREEN ZOMBIE

It's not always easy to tell if you've been spending too much time on your device. Mobiles phones, tablets, games consoles, TVs, the list of devices you might have access to seems never-ending and switching between them can be seamless. However, too much time on your device could lead to certain problems and could be an indicator of an addictive habit. It's important therefore that you try and manage your screen time as much as possible and avoid becoming a 'screen zombie'.

TAKE CARE OF YOUR BRAIN

Spending too much time on social media, watching YouTube or playing games online can result in you becoming a screen zombie. This can affect your mood, how much sleep you get, how you perform at school and how you behave around others. Limiting your screen time will keep you alert, keep your mind focused and help to look after your own mental health and wellbeing.

BE PRESENT, NOT A ZOMBIE

Screen zombies often find that they spend a lot of time alone in front of their tablet or their mobile phone and reduce the time they spend with their friends or talk with their family. Screen zombies often lack communication skills. Always try to limit your screen time as much as possible - there's so much fun you can have with others!

SCREEN-FREE BEDROOMS

Keeping your phone in your bedroom means that it can be tempting to check every notification you get. Your phone could be the last thing you see at night and the first thing you see in the morning. This can contribute towards poor sleep and a lack of focus the next day. Try to keep your phone out of your bedrooms or turn off all notifications before bedtime. This will mean you'll get a good night's rest and be ready for the next day.

DON'T GET TRAPPED INSIDE

Screen zombies usually find that they spend a lot of time inside as they lose interest in other things that don't include their device. It might seem obvious, but meeting your friends outside or doing outdoor activities like playing sports, trampolining, camping or just going for a walk are all healthy replacements for screen time and can help keep your mind fresh and active.

ZOMBIE-FREE MEALTIMES

Mealtimes can be seen as a good time to sit down, relax and switch on your tablet or phone as you eat your food. But it can also mean that you're not interacting with others, sharing jokes at the dinner table or just talking about your day. Keep mealtimes for family time. Eating your food and staring at a screen means you're missing out on a zombie.

BWARE OF OTHER DANGERS

Spending too much time on your device and online can increase your chances of potentially encountering other online dangers. This could range from viewing inappropriate or harmful content to online bullying, grooming or fake news. Controlling how much time you spend online will reduce your risk of exposure. If you do see anything that makes you upset or if you're concerned about contact with others, always report it to a trusted adult.

BWARE OF SNEAKY TRICKS

A lot of apps and games use certain ways of keeping you online and limit your platform for long periods of time. This can include simple things like unlimited scrolling on a newsfeed, 'swirls' or unrecognising hidden levels. Be mindful of how much time you're online and try to remember you're in control. You decide when you've had enough, not your device.

SAVE YOUR PARENTS!

Even though your parents will often be the ones billing you for your screen time, turn off your tablet or switch off your phone, sometimes they will forget to take their own advice. So it's up to you to make sure you're not one of the dangers of becoming a screen zombie!

UN-ZOMBIFY YOURSELF

If you think that you've already become a screen zombie, then don't worry. It's never too late to get help and support from your friends and family. Talk to your parent if you feel you've become addicted to your device. Try to understand why and work with them to help you limit your screen time so that you can leave your zombie character behind.

Meet our expert
Peter Burt has worked with over 100 years in screen media safety for his career and has been a prominent voice for the industry. He is currently working on a specialist role for the police, helping to reduce the risk of children and young people being groomed and exploited online.
