

A Message from our Head of School - Miss Jenkinson

I hope many of you got to meet Mr Gough this week as he was out and about in the playground before and after school. Next week he will be with us on Tuesday 13th July and I'm sure he will be looking forward to meeting more of you then. Thanks to Mr Modeste and Mr Callum for planning a de-constructed sports day this year. The children went out to enjoy a variety of sporting activities in their bubbles throughout Thursday and Friday this week. Have a great weekend and enjoy THE football match! Stay safe, Miss Jenkinson.

KS2

Year 4, working from home this week, were asked to find out about how animals have adapted to the changes to their environments and then design their own animal explaining it's adaptations:

Year 5 have been enjoying their new cheerleading after school class with Miss Schofield.

Early Years

What a fantastic first sports day our pupils had this morning. Many thanks to Mr Callum for planning it for us. We took part in various jumping, throwing and balancing activities.

Well done Reception!

Well done to all of you!

KS1—SPORTS DAY

What a super day we have had in KS1!

The children really enjoyed all the activities and their behaviour was super. The children cheered each other on and tried their best. It was great to work in our House teams and earn house points.

We now can't wait for next year!

House Leaderboard

This week's leader board is below: Children can earn House points by following our **Golden Rule**.

Covid Testing and Reporting

Following some confusion around covid testing may we clarify that lateral flow tests are for those **without** symptoms of covid-19. If you or your child(ren) develop any of the symptoms you must carry out a PCR test.

These can be ordered and delivered to your home address in the post. A copy of the result must be provided to the school office before your child is allowed to return to school.

Should your child test positive for covid, please report this to Miss Jenkinson on Class Dojo or email kelly.starkey@sharemat.co.uk, **even if it is a weekend or in the holidays**, to establish whether we need to inform any of our bubbles that they will need to isolate.

Polite Reminders

Chickenpox One of our pupils is at serious risk if they are exposed to **chicken pox, shingles or measles**. Please let us know immediately if you suspect that your child has chicken pox or measles. **It is also very important that you let us know if anyone in your household has shingles.**

Nut Free school A reminder that we aim to be a nut free school due to pupils with serious allergies. Please do not bring nuts of any kind onto the school premises, including playgrounds.

Parking Please ensure you park considerately whilst in our car park and do not block zebra crossings, footpaths, school gates or park on double yellow lines or on the grass. Use our drop off zone for older children and wherever possible please walk to school. This is for the safety of all our pupils, parents and staff. The car park at front of school (Victory Avenue) is not available for use by parents.

Parents in school Please be reminded that parents cannot enter school unless they have a prearranged appointment. If you need to speak to a member of staff please call school in the first instance on **01484 505229** to arrange an appointment. Any forms or letters should be handed to your child's class teacher or left in the red box in the school entrance.

School Reminders

- All children must wear the correct uniform to school. Uniform can be purchased from Bridge School Wear, Milnsbridge. Please make sure that your child's name is in each item of clothing and footwear.
- Please inform the school office on 01484 505229 if your child is absent from school, every morning that they are absent, by 8.30am. An answering machine service is active if you would like to leave a message earlier than this.
- Classroom doors close at 9.00am—after this time children must sign in with the office and will be marked as late.
- If your child has a medical appointment please provide the office with proof of this for their file, so that we can authorise their absence. Where possible, please try and make appointments before or after school.
- Medication in school can only be given if it is provided in the prescribed box, with the label and forms are completed with the office.
